Dear Mr. Princic:

The U.S. Environmental Protection Agency (U.S. EPA) may be conducting a time-critical removal action at the General Industries Site, 154 Olive Street, Elyria, Lorain County, Ohio, 44035. I will be directing the removal operations for U.S. EPA in accordance with the National Contingency Plan (40 CFR, Part 300).

Please inform me of any Ohio ARARs which are pertinent to removal actions at the Site. If this information is received prior to the commencement of removal activities, U.S. EPA will, to the extent practicable, incorporate the Ohio ARARs into the removal activities.

If you have any questions or comments, please contact me at (440) 250-1740.

Sincerely,
